1. The Sav-ior can lift ev-'ry bur-den, The heav-y as well as the light;
2. The Sav-ior can bear ev-'ry sor-row, In Him there is com-fort and rest;
3. The Sav-ior can strengthen the wea-ry, His grace is suf-fi-cient for all;
4. The Sav-ior can break sin's do-min-ion, The vic-t'ry He won long a-go;
5. The Sav-ior can sat-is-fy ful-ly The heart that the world can-not fill;

His strength is made per-fect in weak-ness, In Him there is pow-er and might.
No mat-ter how great the af-flic-tion, He on-ly per-mits what is best.
He knows ev-'ry step of the path-way, And lis-tens to hear when we call.
In Him there is free-dom from bondage, He's a-ble to con-quer the foe.
His pres-ence will sanc-ti-fy whol-ly The soul that is yield-ed and still.

CHORUS

The Sav-ior can solve ev-'ry problem, The tan-gles of life can un-do;
He can un-do;
